Star of Incandescence is lovingly known on the ranch as Parker. Her striking parker brown makes her shine bright in the pasture. She has produced 2 beautiful calves for us. Her 2021 calf is on his way to being a trophy steer with a thick horn base, length, and parker brown color. Parker's horns have continued to grow and twist as her years go on. This 2015 cow has a calm and easygoing temperament. She enjoys having a treat (or two) on a
