Sade is an absolute beauty! First let's start with her characteristics; over 92" TTT of twisty horn, big body, unbelievable milking ability & she raises incredible calves. Sade's coloring passes well into her offspring. We just weaned her BR Jungle Jim bull calf & eager to watch his development.

On her top side, Smooth Operator 000 brings in

Total Horn: TTT: **Right Base:** 107.0000 on 10/25/2023 94.1250 on 06/02/2025 11.6250 on 08/24/2021
